A REVOLUTION IN THE GOLF CART INDUSTRY

TARA was born to push boundaries and reimagine what personal and golf mobility could be. Backed by two decades of industry expertise, we have created vehicles that empower users to explore freely, confidently, and with unmistakable style.

TARA stands as a symbol of bold design, intelligent engineering, and forward-thinking innovation. Designed for both golf courses and personal use, TARA breaks conventions and redefines expectations—encouraging you to go further, to see more, and to experience every journey in a new light.

ALUMINUM FRAME

Tara features an ultra-strong and lightweight chassis, complemented by a lightweight lithium battery pack. This combination offers a light and nimble driving experience, allowing it to glide effortlessly across the course with grace.

ALUMINUM CANOPY SUPPORTS

Make your golf cart the toughest one on the golf course, keep all rusts off your exposed canopy parts.

PREMIUM ALL-WEATHER SEAT

TARA's premium all-weather seats, with an IPX4 waterproof rating, offer a blend of comfort, durability, and style, designed to endure various weather conditions. These seats ensure a luxurious and comfortable ride in any climate, perfectly balancing aesthetics and functionality for all your personal transit needs.

LITHIUM BATTERY

⚡ ULTRA SAFE ⚡ MAINTENANCE FREE ⚡ 5-YEAR WARRANTY

Our lithium-ion battery packs are meticulously designed as a seamless drop-in replacement for lead-acid batteries. Enjoy the advantages of lithium-ion technology, such as reduced weight, faster charging, extended lifespan, maintenance-free operation, and lower electricity bills. Our battery features an integrated management system with an On/Off switch and a state-of-charge (SOC) gauge for enhanced control and monitoring.
